

TOM DILS

Music Producer & Multimedia Artist

EDUCATION

Bachelor (Hons) Music Production and Sound Engineering

Middlesex University (Point Blank), London | 2016 - 2019

I gained a broad knowledge of music production, learned working with many Digital Audio Workstations (DAW's) as well as to operate an SSL mixing desk. Learned music theory, music business, composing for films & games and how to perform live, to name a few.

Bachelor of Graphical and Digital Media, Multimedia

Artevelde University, Ghent | 2013 - 2016

All aspects of multimedia, from creating websites to developing apps and shooting movies. I specialized myself in 3D modeling and virtual reality development. For my final year project, I created, composed and programmed a unique 3D extraterrestrial world where my own composed tracks are played and music rhythms, melodies and frequencies are shown through my 3D music visualizations to give the audience an amazing and unique musical sensation and total experience.

Music Theory / Classical & Jazz Piano / Performing Arts (Evening School)

Art Academy De Poel, Ghent | 2012 - 2016, 2019

I studied 4 years of Classical Piano and then I switched to Jazz Piano training and learned to write my own compositions. The performing arts courses thought me how to perform live on stage. I also did poetry on stage.

High school - Visual Arts

Saint-Lucas College, College of the Arts, Ghent | 2006 - 2012

Creative arts knowledge and thorough investigation of contemporary audiovisual culture. I learned to observe, analyze, think creatively and expand my own audiovisual expression possibilities.

EXPERIENCE

Audio Engineer at Radio Station

UrGent.FM, Ghent | 2013 - 2019

I manage and set up the studio sessions as a studio engineer. I record and mix the bands for the live sessions on the radio. At events I am also the live audio engineer.

VFX Artist, Motion Graphic Specialist and Graphic Designer

MENT TV, Ghent | 2016

Making audiovisual commercials for musicians who promote their events at the music TV channel. Managing the daily music video clips who are played on the channel.
